Exodus 25 - 33:11

---

**TRY THIS:** If you have some playdough in your house, pass a little lump to each person and have them make it into a cow shape. Once each person has created their calf, have everyone hold theirs up and show it to the people around them.

Then say something like: **"The people of Israel had made for themselves a golden calf. It was an idol they were worshiping instead of worshiping God. Take a moment and ask God if there is anything in your life that you're putting ahead of God."**

Let each person pray for a moment, and then say something like: **"When you're ready, smash flat the 'Golden Calf' you've made! And then talk to God and ask God to help you worship God alone and nothing else!"**

## QUESTIONS TO CONSIDER:

- \* Why do you think the Israelites wanted to make an idol?
- \* Why do you think God forgave the people even after they had sinned?
- \* **Read 1 JOHN 1:9 together.** Why do you think God forgives people?
- \* If God forgives you, how should you treat other people around you?
